She then provided the following information:

JAWAHIR was asked to look at a photograph in order to determine if she recognized the individual as a passenger on flight 175 on September 11, 2001. JAWAHIR looked at the photograph and was unable to make a positive identification. She stated that she did not see the two Arab males who she now knows were booked in the first class cabin for that flight. She only saw the two Arab males who were in the business class section because she had contact with them at her ticket counter. Since they already had tickets, she moved them on to the check in area.

JAWAHIR stated that she did not recognize the photograph as either of the two men that she had dealings with on the morning of September 11, 2001.

GAIL JAWAHIR, Date of Birth (DOB) [REDACTED], Social Security Account Number (SSAN) [REDACTED] Customer Service Representative, UNITED AIRLINES, Boston, Massachusetts (MA), was advised of the identity of the interviewing agent and the purpose of the interview. Also present was Massachusetts State Trooper PI DOWNSBOROUGH. JAWAHIR provided the following information:

JAWAHIR has been employed with UNITED AIRLINES for approximately 13 years. She is currently assigned to Customer Service and responsible for the ticketing and check in of passengers. She normally works the 4:30 a.m. to 1:00 p.m. shift.

JAWAHIR arrived to work at approximately 4:30 a.m. Upon her arrival, she discovered that she been assigned to work with the basic check-in of passengers. JAWAHIR advised that she prefers to work with ticketing and switched job assignments with UNITED AIRLINES employee KAREN GRIFFITH. JAWAHIR stated that at approximately 4:30 a.m., UNITED AIRLINES had their normal daily briefing. This briefing is a discussion about flights, weather, and assigned positions. The purpose of the briefing is also is to address any vacancies due to employees calling in sick. JAWAHIR recalled that everyone was present that morning.

At approximately 5:00 a.m., JAWAHIR opened her counter and started with the first of the customers. JAWAHIR recalled checking in a number of people who were scheduled to fly on UNITED AIRLINES Flight 175, Boston to Los Angeles. However, JAWAHIR stated that passenger flow was very slow and she did not check very many people in.

Shortly before 7:00 a.m., JAWAHIR recalled two well dressed Arabic males approached her ticket counter. JAWAHIR advised that one of the males (Subject #1) indicated that he wished to purchase a ticket. JAWAHIR advised that he spoke very poor English. JAWAHIR stated that she asked, "checking in or buying a ticket?" The man, (#1), who JAWAHIR identified as being of Mid Eastern descent, responded "purchase ticket." JAWAHIR noted that she observed that Subject #1 had a UNITED AIRLINES envelope with a UNITED AIRLINES itinerary in hand. JAWAHIR stated that she informed #1 that he did not need to buy a ticket, that he already had a ticket and he simply needed to go to the

check in area. JAWAHIR advised that both men subsequently depart^{b6} for the line to check-in for flights. ^{b7C}

JAWAHIR advised that the two young Mid Eastern men walked over to stand in the check-in line. JAWAHIR recalled that UNITED AIRLINES Customer Service Agent [REDACTED] was the representative who dealt with the two Middle Eastern gentlemen. JAWAHIR advised that one of the men must have told [REDACTED] that he wished to buy a ticket, as [REDACTED] sent both men back to JAWAHIR's counter.

JAWAHIR stated that Subject #1 again said that he needed to buy a ticket. JAWAHIR asked to look at his itinerary and found that he was booked on UNITED AIRLINES Flight 175, Boston to Los Angeles. JAWAHIR added that the gentlemen, whose last names both started with an "A," were in the business class, row 9, in either seats A and B or B and C. JAWAHIR added that Subject #1 used a Florida driver's license for identification, and recalled that the city listed on the driver's license was "something Beach." JAWAHIR stated that she then asked both Subject #1 and Subject #2 the security questions. JAWAHIR advised that both #1 and #2 had problems answering the security questions. JAWAHIR went over the questions again very slowly and received the appropriate responses.

JAWAHIR advised that #2 had a paper ticket, that appeared to have been mailed to him. Number 2 utilized a Virginia drivers license as his form of identification. JAWAHIR stated that both men checked in one bag. JAWAHIR recalled that each bag was normal in size and did not appear to be very heavy. JAWAHIR added that the bags were the size that you would normally utilize if you were gone for a week. JAWAHIR added that both bags looked new. JAWAHIR advised that she thought both men had one carry on bag with them.

JAWAHIR advised that she issued the two men two boarding passes, in row 9, in the business class section. JAWAHIR added that she asked the men if it would be okay to have her place both boarding passes in one envelope. JAWAHIR advised that she was uncertain as to whether the men understood the question, but they indicated that it would not be a problem. Thus, JAWAHIR placed both tickets and boarding passes in one envelope. JAWAHIR also circled the gate number, gate 19, on boarding pass. JAWAHIR then directed the two men in the direction of the security gate. JAWAHIR advised that they departed in that direction. JAWAHIR added that she did not observed the men with either cell phones or pagers.

JAWAHIR described Subject #1 as a Mid Eastern male, early 20's, approximately 5'4", with a slim build. JAWAHIR recalled that this individual was very well dressed, with well trimmed hair and a button down shirt. JAWAHIR advised that #1 had dark hair which was combed back and very short with bangs. He did not have any facial hair, nor did she recall glasses or jewelry.

JAWAHIR described #2 as shorter than #1, well dressed wearing what appeared to be a dark suit. He also had short hair and a dark skin tone.

JAWAHIR recalled that the suitcases that the men checked in were soft sides with handles you could use to pull the suitcase behind you. JAWAHIR recalled that the handbags looked like a briefcase. JAWAHIR did not recall either man emanating any type of scent, ar^{b6} thought that they seemed to be students. ^{b7c}

JAWAHIR was asked if she would recognize the name of the passengers from the UNITED AIRLINES manifest for Flight 175. JAWAHIR advised that she thought she would be able to pick the names out, as they had the same last name. JAWAHIR was shown a manifest and immediately indicated that HAMED ALGHAMDI and HAMZA ALGHAMDI were the two Mid Eastern individuals who checked in with her at the ticket counter. JAWAHIR added that she was positive that those were the names utilized by the two men.

JAWAHIR stated that she recalled the men well enough to attempt and provide information for a sketch of the two men.

Theodore Olson, Solicitor General, United States of America, was interviewed at his residence, [REDACTED]

[REDACTED] After being advised of the identity of the interviewing agents and the nature of the interview, Olson furnished the following information.

Barbara Olson, Theodore's wife, was a passenger on American Flight # 77, departing Dulles Airport at approximately 8:10am or 8:30am this morning, bound for LAX Airport in Los Angeles, California.

At approximately 9:00am this morning, he did not look at his watch, one of the women in his office advised him of the terrorist attack at the World Trade Center (WTC) in New York. He went to his back office and turned on the television. At that time they were rerunning film of the second plane hitting the WTC.

At this time one of the women in his office told him that Barbara was on the phone. [REDACTED] She did not relay the call from his wife. It was someone else in the office. At the time he was thanking God that her flight could not have had enough time to get to New York. He picked up the call from his wife and spoke for about one (1) minute. Barbara told him that her plane had been hijacked. She said they had knives and box cutters. He asked if they knew she was on the phone and she replied that they didn't. Barbara told him that they put the passengers in the back of the plane. She had been sitting in first class. Olson's call was then cut off.

After the first call, Olson used his direct line to the Attorney General, but was unable to reach him, so he called the DOJ Command Center and requested someone come to his office. He told them that his wife's plane had been hijacked and gave them the flight number. He wanted to pass this information to someone who could possibly do something.

Shortly after, the same person buzzed him again and said Barbara was on the phone again. Barbara was put through to him. Barbara said the pilot had announced that the plane had been hijacked. She asked Olson what she should tell the captain to do. Olson asked

SA [redacted] mentioned to [redacted] that a San Francisco
Chronicle news column written on September 12, 2001, indicated that
[redacted] told reporters that [redacted] message on the
answering machine was as follows: "We have been hijacked, they are
being kind. I love you." [redacted] stated that in the recent days
since LAUREN was killed in the airline accident, reporters had been
at [redacted] house in his front and back yard pestering him for a
comment. The press became so intrusive that the police had to be
called. Therefore, [redacted] wrote a press release concerning LAUREN,
which [redacted] read to the press on September 12, 2001. [redacted] stated
that in his press release there was no mention that LAUREN stated in
her message, "We have been hijacked." [redacted] said that on the
answering machine message, LAUREN did not mention anything about a
hijacking, therefore, the reporter's story was inaccurate. The

newspaper article is attached to this insert.

[redacted] white female, born [redacted] of [redacted] was interviewed at the summer residence of her parents, [redacted]. Present during the interview were New York State Police Investigator [redacted]. After being advised of the identity of the interviewing agents and the nature of the interview, [redacted] provided the following information:

On 09/11/2001, at approximately 9:30 a.m., a telephone call was received by [redacted] residence, telephone [redacted] Jeremy Logan Glick, male, born 09/03/1970, from a telephone on-board United Airlines Flight #93. Jeremy was supposed to have traveled on 09/10/2001; however, a fire at the Newark airport delayed his flight by a day. Jeremy left his residence in Hewitt, NJ, on 09/11/2001 for Newark International Airport to board Flight #93 en route, non-stop, to San Francisco, CA. Jeremy was presumably carrying only a small, wheeled, carry-on suitcase and a laptop computer on the flight. Jeremy was employed as a sales manager by Vividence, Inc., of San Mateo, CA, (415) 305-6170, was en route to San Francisco for a meeting and was scheduled to return on 09/12/2001.

During the call, Jeremy initially spoke [redacted] and immediately asked to speak to [redacted]. After giving the telephone to [redacted], [redacted] contacted "911" via her cellular telephone [redacted]. Jeremy first told [redacted] that he loved her and then said that Flight #93 had been hijacked by three "Iranian-looking" males, with dark skin and bandanas (ethnic type as opposed to hippie type) on their heads. One of the males stated that he was in possession of a bomb in a red box and one was armed with a knife. Jeremy advised that the plane was approximately one hour out of Newark and that they were over land, although it felt as if they were circling instead of flying straight towards California. Jeremy advised [redacted] that the hijackers had herded the passengers into the rear of the plane and told them that if they did not crash into the World Trade Center, that they were going to blow-up the plane. One of the hijackers then told the passengers to call their loved ones. The three hijackers then entered the cockpit of the plane. Jeremy advised

that he was unsure if the hijackers were going to crash or blow-up the plane.

The entire call lasted approximately fifteen to twenty minutes. [REDACTED] could not hear any unusual sounds in the background of the call and the connection was extremely clear, "as if he was calling from the next room." Jeremy was extremely calm, but sounded very concerned and confused. Jeremy advised that the Captain had not made any announcements and that the people were scared because they did not know what was happening.

Jeremy advised [REDACTED] that other passengers had contacted their wives and husbands and asked if it were true that people were crashing planes into the World Trade Center. [REDACTED] had been watching news coverage of the events on the television and were aware that at least one plane had crashed into the World Trade Center, but neither of the Towers had fallen at the time of Jeremy's call. Jeremy advised [REDACTED] that he and four other male passengers were contemplating "rushing" the hijackers and asked [REDACTED] if that was okay with her. [REDACTED] told Jeremy that she did not know if that was okay and asked Jeremy if any of the hijackers had guns, to which Jeremy replied they did not.

In a joking manner, as if ease [REDACTED] concern, Jeremy advised that he and approximately four other male passengers were "going to get the butter knives." Jeremy then, seriously, told [REDACTED] that he and the other males were organizing to "rush" the hijackers. Jeremy told [REDACTED] that he loved her and asked her not to hang-up the telephone.

with Omar Al-Bayoumi at 6333 Mount Ada Road, apartment 152 San Diego, California. Prior to that, they indicated they lived in Saudi Arabia. Al-Bayoumi further appears as co-signer and guarantor for Al-Hazmi and Al-Mihdhar on their rental application. Al-Bayoumi recommended Al-Hazmi and Al-Mihdhar to the property manager of the Parkwood Apartments and was listed as the co-signer and guarantor on their lease because they did not have established credit. According to the apartment manager of the Parkwood Apartments, Al-Bayoumi occasionally paid rent for Al-Hazmi and Al-Mihdhar. Although Al-Hazmi and Al-Mihdhar always appeared to have cash available, no employment was indicated on the rental application. Al-Hazmi and Al-Mihdhar vacated the apartment at the Parkwood complex in May 2000 and left no forwarding address however, for unknown reasons, an address of 8451 Mount Vernon Avenue, Lemon Grove, California was written on the rental agreement.

b6
b7C

Investigation has determined after vacating the apartment at Parkwood, Al-Hazmi and Al-Mihdhar moved to the above address in Lemon Grove, California which they found through an advertisement at the Islamic Center of San Diego.

Al-Hazmi and Al-Mihdhar received flight training while living in San Diego, California. It is believed they received this training in order to be able to maneuver the hijacked American Airlines airplane and crash it into the Pentagon. [REDACTED] is a close friend of [REDACTED] a commercial airline pilot living in San Diego, California. [REDACTED] has flown in an airplane with [REDACTED] several times. [REDACTED] is a certified flight instructor. [REDACTED] has admitted that in May 2000, Al-Hazmi and Al-Mihdhar contacted him and spoke to him about receiving flight training. [REDACTED] stated Al-Hazmi and Al-Mihdhar specifically asked him if they could learn to fly Boeing jet aircraft.

Parkwood Apartments records indicate Omar Al-Bayoumi and [REDACTED] moved into apartment 152 on or about September 1, 1999 with [REDACTED] Al-Bayoumi listed his occupation as student and claimed to receive financial support from his family. According to the records of the Parkwood Apartments, Al-Bayoumi and his family moved out of their apartment on June 23, 2001. Al-Bayoumi advised he was leaving the U.S. and left no forwarding address with the property management company.

Before AL-SALMI traveled to the US, AL-SALMI's father advised him to get traveler checks so he would not have to carry all cash. AL-SALMI remembered that he had purchased traveler checks in Riyadh but did not remember the amount.

AL-SALMI does not remember giving his traveler checks or any money to AL-HAZMI at anytime. AL-SALMI stated there was no reason to give AL-HAZMI money because he was working. AL-SALMI was advised that \$1,900 of his traveler checks have been deposited in AL-HAZMI's bank account in September 2000, AL-SALMI did not have an answer or any recollection, and continued to say "I don't remember giving him any money."

AL-SALMI stated he brought money and traveler checks to the US with him so he could pay for his school, rent and other living expenses. AL-SALMI advised that school and books cost him about \$2,500 per semester and \$400 per month for rent.

AL-SALMI was asked if AL-HAZMI paid for his car insurance because he was on the same insurance policy. AL-SALMI did not remember how he paid for the insurance and stated that insurance was not that expensive and could not remember the exact amount but that it cost approximately \$100-\$300 per six (6) months.

AL-SALMI stated that his father, mother and older brother lived in the US in Tennessee from 1978-1983.

AL-SALMI stated he recognized AL-HAZMI's photograph after the 9/11 attacks and could not believe that AL-HAZMI was one of the hijackers.

AL-SALMI confirmed that he became married the day after the 9/11 attacks. Presently, AL-SALMI is not in contact with his wife, he remained in contact with her for approximately one year after he departed the US. AL-SALMI appeared extremely uncomfortable talking about the wife and marriage and stated "I don't want to talk about it."

After the 9/11 attacks and his arrest in the US, AL-SALMI felt that he could not live in the US anymore and decided to return to Saudi Arabia. AL-SALMI felt that everyone was always looking at him because he was an Arab. AL-SALMI departed the US at the end of May/beginning of June 2002.

Signature: /s/ Aysel Sengün

I am turning to the police because I am seriously concerned about my Lebanese friend. He has been residing in Florida since June of last year. This is where he attended a private flight school and attempted to obtain his pilot's license,

In view of the terrorist attack which occurred this week in the United States of America, as well as media reports, I am afraid that something may have happened to my friend. Since this time, I have not heard from him. My last telephone conversation with him took place on Tuesday, 9/11/2001, around 3 pm. This conversation was held in a normal atmosphere and at no time appeared conspicuous. He asked how I was doing and told me that he loved me. At this time, I was still in the hospital after I had my tonsils removed. By the way, I was just released from the hospital today.

First of all, I would like to state that my friend is the following person:

Ziad JARRAH

DOB: 5/11/1975 in Lebanon

Address: Miami, Florida.

We met in 1996 in Greifswald. One month later we entered into a close relationship. We have been a couple since then. At that time, I still resided at Greifswald. Ziad was my neighbor at the local private training college. He moved in five or six months after I did.

Approximately three years ago, during the winter semester, I moved from Greifswald to Bochum where I was accepted at a university. At that time, I moved to the dormitory "House Michael," Laerholzstr. 3, Bochum. Approximately four years ago, Ziad moved from Greifswald to Hamburg in order to study aircraft construction at the local training college. Originally, he wanted to study dentistry. However, he was never accepted at a university.

In June of last year, I moved from Laerholzstr. to the dormitory located at Stiepeler Str. This is still my current residence. I would like to move to Stuttgart in October. This is where my parents live. I will move into their apartment. They reside at Taubenstr. 9

To: Counterterrorism From: Berlin
Re: 265A-WF-222811, 09/18/2001

at 70199 Stuttgart. I will be an intern at the hospital in Stuttgart. You see, I am studying medicine.

Despite the distance between Hamburg and Bochum, we tried to meet on a regular basis every two weeks. However, it was he who mostly visited me. He used public transportation and normally stayed from Friday to Sunday. I have been to Hamburg to see him three or four times only. This is where he subleased a room from an older couple in Hamburg-Poppenbüttel. Their name is [redacted] When her husband died, [redacted] Hamburg. My friend Ziad practically moved along [with her.]

Since January or February 2000, my friend has no longer attended any of the lectures at the technical college of higher education in Hamburg. Even during that time, he told me about friends who obtained their pilot licenses during their time in the German military. He apparently was very interested in flying even as a child. I believe this was the reason why he discontinued his studies. Nevertheless, he is still registered at the technical college of higher education in Hamburg, since he may, at some time, want to continue his studies there. His parents who reside in Beirut, Lebanon, allegedly financed his studies. I believe his parents are very well off financially. In August of this year, I travelled to Beirut alone to attend the wedding of his sister. I also met his parents there. They have a rather modern attitude. Ziad was not at the wedding personally for he was unable to get away from flying.

In June 2000, Ziad went to America. This is where he attended a flight school in Venice, Florida. He obtained his pilot's license for single engine aircraft. He passed a test and was then permitted to fly solo. I visited him in January of this year. He then flew with me to Key West. Ziad flew himself.

Ziad's father had a heart attack in February. He then flew to Beirut to visit him. Thereafter, he returned to the United States. Then he changed flight schools and went from Venice to Miami. I am not even in a position to provide you with the names of the flight schools. There are very many of them. However, I know that the name of the owner of the flight school in Venice is "Arne" and makes arrangements for Germans to attend. I don't know whether this Arne is residing in Germany or in America. Ziad resided at Venice in a communal residence, directly on the property of the flight school. (X) ¹
I was never very interested in things regarding flying.

¹(X) Change/ correction:

Ziad's communal residence is not located on the property of the flight school but in the near proximity.

Re: 265A-WF-222811, 09/18/2001

I always booked flights to and from Beirut via Germany or only to Germany for him since this was cheaper. After his visit to Beirut in February of this year, he stayed with me in Bochum for a few more days.

We saw each other last at the end of July of this year. He spent approximately 10 to 14 days with me at Bochum. We both stayed at my apartment in Bochum. We spent the entire time together. During this time, I did not study but spent all the time alone with him. Ziad has no contacts at all in Bochum. We never met with anyone else at that time.

Ziad has only one relative in Germany. This is his cousin. His name is [redacted] and he resides at Greifswald where he is operating a pizza parlor. Its name is [redacted] and is located at [redacted]

b6
b7C

However, Ziad and he are no longer on speaking terms and are no longer in touch with each other. I don't know any other acquaintances or friends of his in Germany. I know his family in Lebanon, as stated above.

Somehow he always prevented me from meeting his people/ acquaintances. He was never interested in meeting my friends here either. That was alright for me since we wanted to spend the little time we had alone.

During the time when Ziad resided in Venice, we kept in touch through e-mail. But from the time in Miami, we no longer did. He probably would have had to always use an internet café. That was too inconvenient for him so that we were in touch by phone only.

We rarely had written contact. Writing was simply not his thing. I believe that during the entire five years, I perhaps received two letters and a few cards from him. I will give you the cards. You may keep them until the situation has been clarified and I know what happened to my friend. I do want them back later, in any case.

Looking back, we spoke on the phone almost daily. I called him more often than he did me. During recent months, he frequently had different telephone numbers. The most recently used current numbers are: 0019548013169 and 0019547710620. However, I am not totally certain of the phone number mentioned last. I would have to check my phone bills at home.

I spoke to him on the phone last on Tuesday, 9/11/2001, I believe it was between 3 p.m. and 4 p.m. I believe it was rather 3 p.m. He called me. I took the call in my room at the Catholic Hospital in Hattingen Blankenstein. He called me frequently during the week. I believe it was on Thursday, on Saturday, on Sunday and on Tuesday. However, I don't remember precisely.

Re: 265A-WF-222811, 09/18/2001

The telephone connection last Tuesday was good. There were no background noises. During the phone call xx², a lady from the nursing staff came to my room and asked what I wanted to eat the following day. I tried to put her off for five minutes. She absolutely did not want to wait and I was not able to concentrate on the call with my friend. Our telephone conversation was practically disrupted by the nurse when I then kept it brief and told my friend good-bye.

In the evening, it must have been around 5 p.m. or 6 p.m.; I found out about the attack in the U.S. At this time, however, I did not worry about my friend since the distance between New York and Miami is rather great.

On Wednesday, at approximately 1 p.m., I tried to call my friend in Miami on his cell phone (001-954-8013169.) After three rings, there was an automated announcement in English that the person called could not be reached at that time.

I tried to call several times on this day but I never reached him. There was always the same announcement from a tape. I was unable to leave a message on the mailbox (X).³ I did not call his regular phone number since I did not store it in my cell phone. I had hoped that he would call me at the hospital before evening. However, he never did so.

b6
b7C

On Thursday, this is today, I was released from the hospital. This was shortly after 10 a.m. Actually, I was to be released tomorrow. I did not try to reach him again by phone. My friend and fellow student,

picked me up from the hospital. First, we drove home to [redacted] since this is where my cat was. [redacted] had taken care of her during the time of my hospital stay. Thereafter, we drove to my house together.

Re: 265A-WF-222811, 09/18/2001

This is where my friend dropped me off and then drove home. Then I unpacked my things and placed several phone calls. The telephone calls all concerned my upcoming move to Stuttgart in October. Then I took a shower.

At approximately 2:30 p.m. I played back my answering machine. At the same time, [REDACTED]

b6
b7C

[REDACTED]

arrived at my apartment. There were a total of two messages on my answering machine. The first message came from the flight school in Florida. The caller's name was [REDACTED] I know him from sight from a past visit to the flight school in January of this year. He is the [REDACTED]. His message sounded something like this: "This is a message for Ziad. This is the voice of [REDACTED]"

Even prior to my release from the hospital, I saw on television that in Florida, in a flight school, two Arabian men are [successfully] completing pilots' training, who were brought in in connection with the attack. These men are said to have resided at Hamburg at one time as well.

This information on television frightened me terribly since there were similarities to my friend. Additionally, there was the message from the flight school on my answering machine. This upset me terribly since it was very unusual that they call here. I was previously never called by them here. I only remember one call from the agent for the flight school in Germany who requested money from Ziad. That was approximately one month ago. Ziad was in America at this time. I informed Ziad of the phone call. He commented only that he no longer owed them any money.

[REDACTED] he is a physician in Rheine, she received the phone number of the head of the state security in Münster. I don't know from where the father obtained the phone number. [REDACTED] and [REDACTED] came to my apartment.

Then I called the head there myself. His name is [REDACTED] or something like that. Within a few minutes, I described to him the worries and concerns I had. He then told me he would inform [REDACTED] police and they would come by my [home.] I should wait for them there.

Then they arrived at my place.

Re: 265A-WF-222811, 09/18/2001

I am turning over to the police for further processing any written documentation from Ziad, such as postcards from him and letters addressed to him from the AOK [health insurance], the Hamburg Technical College of Higher Education, from a/the travel agency, as well as a dental document [confirmation of costs.]
I have received the corresponding copies.

I will be at the apartment of my parents in Stuttgart from the beginning of October. For this reason, I ask that the police call me on my cell phone and send letters without any police return address to me. I do not want to encounter any difficulties in explaining matters to my parents. My parents were opposed to a relationship/marriage between Ziad and me. For this reason, I kept my relationship with Ziad a secret. My parents would prefer that I marry a Turk. They don't know that I am still maintaining a relationship with him. He asked my father for my hand three years ago, but was thrown out of the house by him. They have rather great reservations against Arabs.

I am not able to say any more regarding the entire occurrence. I am available to you for any additional questions.

Finally, I am asked by the undersigned to call the phone number located on my answering machine of the flight school in Florida. I agree to do so.

First attempt (approximately 10 p.m.):

A male voice is answering on the other end of the line and ha^{b6} up^{b7c} after Mrs. Sangün says her first name.

Second attempt (two minutes later):

A female voice answers in English and promises, after Ms. Sengün introduced herself, that she would be connected immediately. After a short while, a male voice answers, who after some questioning informs Mrs. Sengün that Ziad is wanted by the police in connection with the attack on Tuesday. When asked about the location, Ms. Sengün is unable to provide any information. Then she is told that her friend was no longer alive. Finally, the person who was called asked whether Ms. Sengün could still be reached under the telephone number and address they knew in Bochum.
